☹ Lol, just wait until you have 100,000 of us with guns in DC just waiting for GEOTUS to say the right thing.

▼ He knows how pissed everybody is too. He saw his supporters really acting like an angry mob at his last rally in Georgia when the two candidates took the stage. Trump knows what we're all hoping for and he knows why people are showing up on the 6th.

Be there, will be wild

The man is a master planner and baiter. He's going to get everything in line and bait the media into blaming him even though he didn't throw a brick or tote a gun. Once and for all proving how they fall for everything.

Want to help promote the 6th and get more people to come to DC?

Check out this sticker design I just posted:

✂ America Will Not Be "Reset" - America Will Be REBORN 🇺🇸 - 1776 Will Commence Again! January 6th, Washington, DC - "Be There, Will Be Wild." (GRAPHIC TO MAKE STICKERS TO SPREAD THE WORD! Plaster These Everywhere!!!) 🇺🇸 🙄

<https://thedonald.win/p/11RNY6d3DU/-america-will-not-be-reset--amer/c/>

Spread these FAR AND WIDE!!!

The more people there, the "WILDER" it will be! 🍻🍻🍻🍻🍻🍻🍻🍻🍻

Trump knows that after the 6th, his Twitter account may find itself permanently banned. He knows communication lines may be down. Possibly the internet could go out.

So he's going to spread the message using a microphone and loud speakers to his base!

If you're just waiting for him to say something, you might be waiting a long time.

Do you actually expect him to address a giant uncontrolled mob?

Or tweet some command?

If he actually incites to riot, he will give waiting military grounds to take him into custody.

Trump is neither as smart as you think, nor as stupid.

6 No doubt there will be counter-protesters (and/or rioters) including Antifa and BLM. And no doubt the police will be aggressive towards patriots. Except that Antifa hates the police and attacks them all the time. Is there a way that we can triangulate Antifa/BLM and the police, keep them busy with attacking each other (in Minecraft) so they both leave us in peace? Some sort of manipulation tactic.

you come for placating memes and blind faith "assurance" that all is well? That's what all these memes seem to be. People thinking there's some "can't fail" plan and that 10s of 1000s of people showing up in DC will make a shit's worth of difference to the Congress and Senate who will take every measure to ensure we lose and Biden wins. You're not convincing anyone who hasn't already said they will fight for Trump. If they intend on selling out and letting Biden win, even all 74M Trump supporters showing up won't change that.

No, he's saying that the time for memes and rallies is over. The system is irredeemably corrupt and has become the very tyranny our Founding Fathers warned us about. It is our DUTY to fight that tyranny--the Tree of Liberty is dying!

I think most of us here are in a similar position. We're ready to lay down our lives for our country, and we're just waiting for the go signal. That's why it is vitally important that Trump make the call. If he comes out and says, "Now is the time to rise up and retake our country!" I have no doubt that millions of us (if not TENS OF MILLIONS) will answer the call.
